Our Microfinance event in London has evolved into **THE** UK hub for leading MFIs, investors, DFIs, funds and banks from all over the world, who gather to participate in ground-breaking discussions which will continue to influence and shape the industry in the months to come.

Following the resounding success of our sell-out Microfinance Investment Summit event in London, we are delighted to announce a further edition of this market-defining event, this time to be held in Geneva, Switzerland.

We are proud and pleased that our prestigious global faculty has once again committed to supporting the conference, including such leading lights as:

**Xavier Reille** Lead Microfinance Specialist, **CGAP**

**Jack Lowe**, Chairman and Founding Partner, **Avenir investments** (former CEO **BlueOrchard**)

**Gabriel Solorzano** Chairman of the Board **BANEX**

**Mathias Katamba**, CEO, **Uganda Finance Trust**

**Ganhuyag Ch. Hutagt**, Founding CEO, **Xac Bank** and **CEO TenGer Financial Group**

**Damian Von Stauffenberg**, Founder and Principal, **Microrate**

Even if you were able to take advantage of the opportunity to attend our conference in London, you should not discount this further opportunity to establish a *fresh* network of industry contacts, strengthen existing relationships and conduct business with peers, partners, and clients.

If you register and pay by October 31, 2009, you are eligible for C5's Alumni Discount of 20% off the prices listed overleaf. That's a saving of up to £300! This discount also applies to colleagues referred by you.
