

Sustainable Finance Geneva Staff Bios

Julia Richet

Title: Junior Relationship Manager

Organisation: [Sustainable Finance Geneva](#)

Julia Richet joined Sustainable Finance Geneva in August 2011 as Junior Relationship Manager. She is responsible for the association's communication with members as well as planning and organizing events. She also supports the executive management in its administrative tasks and for special projects.

After obtaining a Master degree in Finance at the French business school ESSCA, she worked for Essilor International, assisting the CSR VP in implementing and spreading the sustainable development strategy. For the Instruments division of the group, she led a social business study in India for visual screening devices. Three years ago, she joined an investment fund in Paris being in charge of the extra-financial analysis and managed relations with stakeholders. She completed her education obtaining specialization certificates in Environment, Health and Development at the Arts et Métiers (Paris).
